Dear Ed,

It was a pleasure having you as a guest speaker recently. The guests had positive comments about your lectures on "Sunglasses & Eye Protection" & "Comfort Zone Breakthrough". The techniques that you discussed on assisting our guests to grow and excel in their personal and professional lives was enlightening.

We would like to invite you back as a guest speaker in the future. If you are planning to be in the area, give me about two months lead time so that we may schedule a convenient time for both our calendars.

Yours in good health,

Jean Ann Kelser  
Asst. Mgr./Program Dir.
