Dear Ed,

On behalf of myself and the people of the 3rd Component Repair Squadron I would like to thank you for your outstanding seminar presentation. Your knowledge of Total Quality Management blended with Supervisory Solutions Workshop and light humor made this seminar truly worth while.

I appreciate the fact that you took the time to come in early to view our organization and then tailor your presentation for us. Your talent and dedication far exceeded our expectations. Thanks!

If you are ever in the Anchorage area again, please give us a call. We would be more than happy to show you the fruits of your labor.

Sincerely,

A handwritten signature in cursive script that reads "Paul H. Schmonsees".
