Dear Ed:

On behalf of GWSAE, I want to thank you for presenting at our first-ever Associations Innovate'97 Conference and Tradeshow. I appreciate the time, preparation and innovation that went into the design of your session "*How to Profit from the Partnering Trend*".

We heard nothing but superb comments on the education sessions. Your evaluations are enclosed. Many attendees commented on the "take-home" value as well as the interaction level within the sessions. From an educational standpoint we are very happy with the outcome of the Conference, thanks in part to your time, energy and expertise.

Your customization was excellent and really made a difference - you knew your audience. You made my job easier by being so flexible and easy to work with. I wish all my speakers were that way!

Again, thank you for taking the time to be with us. I'm sure the attendees will benefit from the information that you shared. If I can be of assistance please call me at (202) 828-4662. I look forward to working with you again.

Best regards,
