Dear Edwin:

Thank you so much for being a part of our 41st Annual Convention in New Orleans. We have been receiving rave reviews overall for our meeting.

Our members thoroughly enjoyed your presentation. Partnering has just recently been introduced to our members and your tips will assist them in their current and future business relationships. They will be able to use your ideas immediately.

We will notify the members of the availability of your "kits". We will hold them till the end of the year and return any that we do not sell. It's a great set of information!

Thanks again for the wonderful job you did for IAPD.

Sincerely,

Deborah M. Hamlin, CAE  
Executive Director
