Dear Ed:

On behalf of Doug Kays, Convention Chairman, and the Convention Committee, I would like to thank you for your participation in the concurrent educational sessions at the NHFA All-Industry Convention in San Diego. Your contribution to the overall success of the conference was greatly appreciated.

Attached, for your information, is a summary of the evaluations that we received about your presentations.

We are grateful for the hard work and effort which you exhibited. As you can see from the responses received from our attendees, you helped make the 1997 All-Industry Convention a terrific success!

I look forward to working with you again in the future.

Sincerely,
