Dear Ed:

Please accept my apologies for getting this letter to you so late. As you know I was on vacation right after the show and am first beginning to tackle the post-show wrap-up process.

On behalf of NSSEA and all of the 83rd Annual Fall Trade Show & Education Conference attendees, thank you for another job well done! If my records are correct this was the 4th NSSEA show you have presented at and the responses keep getting better & better!

Your presentation gave both the manufacturers and the dealers a lot to think about when it comes to creating value for their customers. You took our usual roundtable luncheon and took it to higher level, giving attendees many ideas to take home and implement.

Enclosed is copy of the evaluation summary. If you have any questions please feel free to call me any time. As we discussed, I will be in touch after the New Year to discuss with you possible half -day seminars for future shows.

Again, we at NSSEA thank you for you for helping to make the Fall Show such a success!

Sincerely,

A handwritten signature in cursive script that reads "Shari".

*Ed,
Thanks for everything. I hope you and your family have
a happy & healthy holiday season!
Speak to you in 2000!
