Dear Ed:

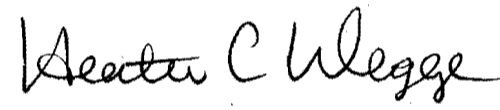

On behalf of the National Wood Flooring Association, we would like to thank you for your dynamic presentations at our Annual Convention in Palm Springs. You were highly energetic, entertaining and informative. The ideas and strategies you presented were invaluable in both our member's professional and personal worlds. Everyone walked away from the meeting with information they could implement immediately.

It was a pleasure working with you and I highly recommend your presentation to other associations as well. I wish you continued success and I look forward to the possibility of working with you again.

Sincerely,

Edward S. Korczak, CAE
Executive Director

Sincerely,

Heather C. Wegge
