Dear Ed:

Just wanted to send you a quick "thank you" for the excellent talk you gave last week. Your insight into alliances and strategic partnerships was both refreshing and challenging to our corporation. I especially enjoyed the updated advice you gave on the Golden Rule; I have made it my aim this week to try and discover how my clients and peers would benefit from something they actually desire instead of what I think they would enjoy based on my own, limited experiences.

Once again, on behalf of the executive management of FTI and our spouses, thank you for your willingness to invest your time and insight into our Company and our relationships. Please pass my gratitude along to Regina; I trust she enjoyed the dinner and trip to Santa Barbara.

If there is anything I could do for you in the near future, please do not hesitate to contact me. You can reach me via phone at (805) 685-6672 or via email at sbridge@fti-net.com.

Sincerely,

Steve Bridge
